

Rule #5

BIO BREAK POLICY

With the introduction of Remote Proctoring, CIDQ has added a **10-minute optional break** during the exam. This is the **ONLY** break that will be allowed unless you have been approved for testing accommodations. The exam will be broken up into 2 sections as noted below:

IDFX exam

Section 1	65 questions	180 minutes
Break	Optional	
Section 2	60 questions	

IDPX exam

Section 1	90 questions	240 minutes
Break	Optional	
Section 2	85 questions	

While you are allowed an optional 10-minute break after you have answered the questions in Section 1 of the exam, the **exam clock will continue to run** during the break time. Make sure you have answered and reviewed all the questions in Section 1 prior to taking your break or moving on to Section 2, as you **will not** be able to go back and access the questions in Section 1 once you have moved on. If you wish to take a break, you must notify the proctor before leaving the view of the camera. **Failure to inform the proctor prior to taking a break, or failure to return on time from the break, will result in the termination of your exam.** Upon your return from break, a full security scan will be conducted before the exam can be resumed.
